Education:

Experiences:

- 2014 - 2022

Freelance Graphic & Motion Designer

Collaborated with hundreds of global clients over 7+ years to deliver brand identities, logos, and animations. Self-taught in advanced motion design (since 2018) and graphic design (since 2014).
- 2021 - 2024

Casino Cashier

Merit Grand Mosta Hotel & Casino / GoldenEye

Managed high-volume financial transactions accurately. Provided customer service in a fast-paced environment. Maintained compliance with operational and financial procedures.
- 2024

Trainee IT Administrator

GoldenEye Hotel & Casino

Assisted in IT infrastructure maintenance and administrative technical support. Applied analytical skills to troubleshoot hardware and software issues within a professional environment.
- 2024 - Today

Multimedia Content Creator (Wildcard Designer)

GoldenEye Hotel & Casino

Execute end-to-end multimedia production, including filming and editing YouTube videos and promotional content. Develop motion graphics and digital animations using After Effects to enhance visual storytelling. Manage "wildcard" design tasks: presenting lotteries, print marketing, and digital brand assets. Bridge the gap between creative vision and technical execution for resort-wide digital marketing.

Bachelor's in Computer Software Engineering
University of Plovdiv "Paisii Hilendarski"
2022 – 2026 (Expected)

Certification of Programming
Basics with C# SoftUni
